## **ABOUT US**

TM Builders was founded in 1974 by Terence Manuel Adams and been in existence for 49 years. Terence Manual Adams handed his business over to Tereceta and Francois Smit In July 2019.

TM Adams Builders T/A FD Smit is a dynamic owner- managed company, offering a comprehensive range of building services.

Based in the Northern suburbs, Cape Town and Overberg, Hermanus, our mission is to contribute to the experience and expectation of world-class craftsmanship, service excellence in this beautiful City to compliment the high standards of contemporary architecture and interior design it enjoys and in doing so, to enhance the experience of all our clients.

Passion, commitment, service excellence and professionalism is our four core values that set us apart and make us who we are. Our aim is to install trust, confidence and peace of mind in our workmanship in our pursuit of customer and service excellence.

T M Adams Builders T/A FD Smit Projects is a professional building and renovation construction company with 45 plus years of success.

Clients or corporations who choose, T M Adams Builders as their business building partner, will always have the highest quality of service in our industry.

Our professional staff includes: working managers, electricians, plumbers, brick-layers, painters and all other trades and partners necessary to successfully complete the project.

We respect your property and pets. At the end of each day, we clean and restore your home and company to a living and workable place.

We also offer comprehensive SLA's (maintenance contracts) for your company needs.
